About Us

Nivara Nest is a thoughtfully crafted babywear brand born from a mother's love and understanding of early motherhood. We create soft, breathable, and skin-safe clothing using gentle fabrics like organic muslin, designed to comfort both babies and mothers. Rooted in care, emotion, and cultural values, our products go beyond clothing to become part of a baby's first moments of warmth and security.

Our Collection

[Soft Muslin Baby Girl Dress](#)

[Muslin Knot Jablas for Babies](#)

[Waterproof Bed Protectors Online](#)

[Organic Muslin Swaddle](#)
